## 82nd House Blessing!

**September 28<sup>th</sup> - St. Joseph Habitat for Humanity** will celebrate another Habitat home by blessing **House #82** for Dana & her family. We are excited for the family to move into their new home and hope that you can join us as we celebrate this milestone.

Dana is the mother of three children and is employed at Omnium Division of Land O'Lakes as a Production Operator.

*"Habitat for humanity changed my life! Raising three children on my own isn't easy, and I knew purchasing a home was going to be nearly impossible. That was until Habitat. St. Joseph Habitat for Humanity made the process so smooth. It has been an amazing experience, from the educational homeownership classes to working on site. There is so much passion in the employees and volunteers, and it truly inspired me. My twins, 8-year-old boys, cannot wait to get in their new back yard! My daughter, who is almost 2, will now have her own room covered in pink, and myself, I have a new beginning, a home I can afford and feel secure in. From the bottom of my heart, thank you St. Joseph Habitat for Humanity".*

Please come and share with Dana as she celebrates this joyous occasion.
